Royal Boskalis Westminster N.V. (Boskalis) in partnership with VolkerWessels (Volker Stevin International) has been awarded a contract by Veja Mate Offshore Project GmbH for the design, procurement, fabrication, supply, transportation, installation and testing of sixty seven (67) foundations for the Veja Mate Offshore Wind Farm in the German section of the North Sea. The contract carries a value of approximately EUR 500 million, in which Boskalis has a 50 per cent share.

The Veja Mate Offshore Wind Farm is located 130 kilometers north of Eemshaven and will generate a total capacity of 400 MW. The project will commence at the end of 2015 and completion of the project is expected in the fourth quarter of 2016.

Boskalis' strategy is aimed at benefitting from key macro-economic factors which drive worldwide demand in our markets: expansion of the global economy, increase in energy consumption, global population growth and the challenges that go hand in hand with climate change. This project is related to the development of generating renewable energy due to climate change and increasing energy consumption.

Royal Boskalis Westminster N.V. is a leading global services provider operating in the dredging, maritime infrastructure and maritime services sectors. The company provides creative and innovative all-round solutions to infrastructural challenges in the maritime, coastal and delta regions of the world with services including the construction and maintenance of ports and waterways, land reclamation, coastal defense and riverbank protection. In addition, Boskalis offers a wide variety of marine services and contracting for the offshore energy sector including subsea, heavy transport, lifting and installation (through Boskalis, Dockwise and Fairmount) and towage and salvage (through SMIT). Furthermore, Boskalis has a number of strategic partnerships in harbor towage and terminal services (Keppel Smit Towage, SAAM SMIT Towage and Smit Lamnalco). With a versatile fleet of 1,000 units Boskalis operates in around 75 countries across six continents. Excluding its share in partnerships, Boskalis has approximately 8,500 employees.
