Press release

Boskalis publishes its Annual Report and Corporate Social Responsibility Report

Papendrecht, April 7, 2010

Boskalis has published the online version of its 2009 [Annual Report](#) as well as its 2009 [Corporate Social Responsibility \(CSR\) Report](#). The reports have been published in English and Dutch can be read or downloaded from the [Boskalis website](#).

In its first CSR Report Boskalis reports on its 2009 performance in the context of sustainability. The CSR Report is structured according to the Global Reporting Initiative and has been verified by an external auditor.

Mid April printed versions of the Annual Review, a shortened version of the Annual Report, and the CSR Report will be available.

This is an English translation of the Dutch press release. In the event of any disparity between the Dutch original and this translation, the Dutch text will prevail.

Royal Boskalis Westminster N.V. is a leading global services provider operating in the dredging, maritime infrastructure and maritime services sectors. We provide creative and innovative all-round solutions to infrastructural challenges in the maritime, coastal and delta regions of the world including the construction and maintenance of ports and waterways, land reclamation, coastal defense and riverbank protection. The company holds important home market positions in and outside of Europe and targets all market segments in the dredging industry. It also has positions in strategic partnerships in the

Middle East (Archirodon) and in offshore services (Lamnalco). Boskalis has a versatile fleet of over 300 units and operates in over 50 countries across five continents. Including its share in partnerships, Boskalis has approximately 10,000 employees. Boskalis celebrates its 100th anniversary in 2010.
