OPTIONS ON BOSKALIS THURSDAY 27 SEPTEMBER

Dredging contractor Royal Boskalis Westminster nv announces the introduction to Liffe NYSE Euronext of new options Boskalis tomorrow.

Boskalis is going through a period of strong growth, with record turnover and net profit levels and unprecedented visibility in its markets. The company values good communications with existing and potential shareholders, institutional investors and financial analysts. The Boskalis share price rose in the past three years from €7 (after share split) to €32. Boskalis has been part of the AMX since 2005.

Peter Berdowski, CEO of Boskalis:

“We see our introduction to Liffe both as a recognition of the success of our company and an appreciation of our share by the financial community.”

Royal Boskalis Westminster nv is an international group with a leading position in the world market for dredging services. Its core activities are the construction and maintenance of ports and waterways, land reclamation, coastal defense and riverbank protection. The company holds important home market positions in and outside of Europe and targets all market segments in the dredging industry. It also has positions in strategic partnerships in the Middle East (Archirodon) and in offshore services (Lamnalco). Boskalis has a versatile fleet of over 300 units and operates in over 50 countries across five continents. Including its share in partnerships, Boskalis has approximately 8,000 employees.
