PRESS RELEASE

Boskalis receives provisional award for highway maintenance contract in the Netherlands

Papendrecht, 7 November 2019

Royal Boskalis Westminster N.V. (Boskalis) has received the provisional award from the Department of Public Works (Rijkswaterstaat) for major maintenance to the highway N3 in The Netherlands. The project scope includes resurfacing, the maintenance of numerous civil engineering structures and the replacement of noise barriers. The design & construct contract carries a value of more than EUR 40 million.

Boskalis will execute this project by applying its rich expertise in the areas of dry earthmoving, civil engineering and road construction. The project will commence early 2020 and will be completed mid 2022.

Royal Boskalis Westminster N.V. is a leading global services provider operating in the dredging, maritime infrastructure and maritime services sectors. The company provides creative and innovative all-round solutions to infrastructural challenges in the maritime, coastal and delta regions of the world. With core activities such as coastal defense, riverbank protection and land reclamation Boskalis is able to provide adaptive and mitigating solutions to combat the effects of climate change, such as extreme weather conditions and rising sea levels, as well as delivering solutions for the increasing need for space in coastal and delta regions across the world. The company facilitates the development of offshore energy infrastructure, including renewable wind energy. Boskalis is furthermore active in the construction and maintenance of ports, waterways, access channels and civil infrastructure, thus helping to facilitate trade flows and regional socio-economic development. In addition, Boskalis is a global marine salvage expert and has a number of strategic partnerships in harbor towage and terminal services (Keppel Smit Towage and Smit Lamnalco). With a versatile fleet of more than 700 vessels and floating equipment and 10,000 employees, including associates, Boskalis is creating new horizons around the world.
